This year again, **Absolute Yachts** will be at the Genoa International Boat Show, scheduled to take place from September 21-26, 2023. The Italian company, leader in the construction of luxury yachts from 47 to 73 feet, will be present at dock E, booth YE21A, in the Yacht & Superyacht area with three models: **Navetta 52**, **Navetta 64** e **Navetta 68**. This will be a great opportunity to climb aboard these yachts and explore their interiors while appreciating the perfect finish, design details, quality materials and craftsmanship excellence of Absolute Yachts.

Absolute Yachts Navetta 52

Absolute Yachts Navetta 52 offers 52 feet of pure innovation for superb comfort and liveability, better than other yachts in the same category. The flybridge accommodates a **comprehensively equipped comfortable helm station** surrounded by sofas for sailing in the best company, an outdoor galley, a dining table, a panoramic terrace and generously sized sun loungers at the bow

Absolute Yachts Navetta 52

Inside the main saloon, the **360-degree glazing** ensures a constant connection to the marine setting outside, increasing the perception of space to make it feel like you are on board an even larger vessel. All surrounded by Absolute's signature interior design style. The galley is positioned so that it can be used in connection with both the saloon and the cockpit terrace, creating a large multi-functional space overlooking the water. The principal helm station is modern and ergonomic, with a side door opening onto the lateral

walkway for total control during mooring operations.

Navetta 64

The main strength of the Absolute Yachts Navetta 64 is the huge massive area of glazing characterizing the exterior, making this boat iconic and immediately recognizable. The glazing encloses the saloon and main helm, along with equally generous hull windows corresponding to the **bright and airy** owner and VIP cabins below deck.

The Navetta 64 has a unique piece of nautical design in the **Beach Club**, with a cabin looking onto the stern platform. Enclosed by glazing, this space can be used as a beach-club lounge, with a generously sized sofa, or as a normal double-bed stateroom. The berth itself is at a level slightly lower than the stern platform, giving guests a **superb view of the sea**, reminiscent of an infinity pool.

Absolute Yachts Navetta 64

Navetta 68

It is below deck that the most fascinating elements of Navetta 68, the third and last model to be exhibited by Absolute Yachts at the Genoa International Boat Show, are to be found. Interior, in fact, is **far larger** than you would expect from a 68-foot yacht. The **four staterooms** include the master suite in the bows with two panoramic hullside windows, and an en-suite bathroom with double basin and a large, luxuriously-fitted shower.

Absolute Yachts Navetta 68

All areas of the **Navetta 68**, both interior and exterior, are designed for **lifestyle** lovers who want to enjoy the sea in company. The bow sun lounge is accompanied by a settee and extendable table; the flybridge has an outdoor galley, a dining table, and a helm station with adjoining sofas so that the owner can navigate with guests nearby.
