

## Absolute Yachts achieve the status of CRIBIS Prime Company

BY JOSHUA SAID

Absolute Yachts have just achieved the status of CRIBIS Prime Company, the recognition of maximum commercial reliability. This recognition is based on the CRIBIS D&B Rating, a dynamic and constantly updated indicator of the reliability of a company.

Absolute has just had a turnover of over 32.5 million euros with a D&B rating of 2A 1, and has been given an incredible risk indicator level of 1 out of 4 which represents a minimum risk of business failure. According to records, Absolute also always pays within terms and when compared to similar businesses, Absolute pays faster than the industry average of 8 days beyond terms. The impeccable D&B failure score of 100 predicts that the risk of failure within the next 12 months for Absolute is minimal. This can be compared to an industry average of 31 and a national average of 50.

These reports intensify the serious and stable reputation that Absolute yachts have in the international market and prove that they not only meet yet also exceed client's expectations.

Absolute yachts are also currently enjoying the success of the newly awarded 50FLY and the unanticipated demand for the 58FLY.

The Absolute 50 Fly has just been crowned the "Best European Motor Yacht Of 2017" by a skilled Jury of 10 chief editors specialized in the marine industry from all over Europe during the opening of the Boot Dusseldorf boat show earlier this year. They stated that the Absolute 50 fly represents a perfect mix of Italian design, remarkable spaces, safe performances and easy handling. Despite a length of below 50 feet, the boat itself offers a comfort level and sizes worthy of higher categories.

This incredible achievement is an outcome of a long 4 year journey. Absolute has created an astonishing fleet of flybridge motor yachts, from 40 up to 72 feet and some of them have also received other international accolades including the "Yacht Trophy Awards" that was awarded to the Absolute 53 Fly in 2011 and again to the Absolute 72 Fly in 2012, the "Motorboat Award" was given to the Navetta 58 in 2015 and the "Boat of the year" award was given to the Navetta 52 in 2016.

The Absolute 50 Fly is the most recent expression of Absolute's genuine and unique passion for the sea and boaters alike. Those who appreciate such valor shall recognize why it was chosen by the Jury.
