Absolute NAVETTAS Heading To NZ

Yachtfinders Global, the New Zealand agent for the prestigious Italian Absolute Yachts, has recently sold two Absolute Navetta luxury motor yachts to Kiwi clients.

Arriving in early 2021 is a Navetta 48 and will be followed later in the year by a Navetta 58. Regarded as one of Italy's most prestigious yards, Absolute manufactures luxury yachts in Flybridge and Navetta ranges from 14m to 22m. The Navetta series comprises six models, with the Navetta 48 being the smallest in the fleet. New for 2021 is the stunning Navetta 64 which is like a sister to the other models in the range. It features the wide and uninterrupted side glass window, exterior shapes, characterized by the significant enlargement of the bow windows and the opening of the side gunwales in the cockpit of all the Navetta models.

The Navetta 58 is all about quality and elegance typical of made in Italy. It offers three huge cabins all with private bathroom and a double crew cabin also with private bathroom. The flybridge is massive and is characterised by the presence of aft deck that you can decorate as you wish. While at the bow in addition to beautiful sunbathing you can also enjoy a comfortable sofa from which to scrutinize the horizon.

The Navetta 58 is a boat that offers the possibility of cruising at 20-knots, but in case of need can easily reach the maximum speed of 27 knots. Power is a pair of always Volvo Penta D8 engines with IPS transmission. There are a load of extras available to enhance the Navetta 58, such as a gyro stabilizer, hydraulic stern platform with tender lift, a hardtop on the flybridge and even a home theatre system.

The baby of the Navetta fleet, the Navetta 48 is equally as impressive, with an unparalleled explosion of visual impact, elegance in shape and style, colour coordination, and airiness. The feeling is a boat whose dimensions are more generous than would be expected.

The areas allocated to the shipboard life are incredibly bright, wide, functional and versatile: significant sunbathing areas on the flybridge and in the foredeck, internal volumes with three double cabins. The cockpit area is enormous, with double entrance to facilitate mooring, equipped with privacy sunshade, table and wide sofas.
