

DOUBLE ABSOLUTE WEEKENDS

In mid May, Absolute Yachts organised a festive weekend with owners and friends, staging the world premiere of the 58 Fly at Club Marina Cove, Hong Kong, Sai Kung. This was done simultaneously with Portopiccolo, Sistiana, Trieste, Italy with both events live-broadcast, thus showing the launch of the Absolute 58 Fly on both continents. Selected potential buyers were able to go aboard the new 17-metre flybridge of Absolute shipyard – which counts nine models with sun decks ranging from 40 to 72 feet – before its display at the Cannes boat show, where she will be launched as a 2018 novelty. ☼
