

NAVETTA 64: AWARD-WINNING VALUE

THE ABSOLUTE NAVETTA 64 won the Best for Travel Award at the prestigious Best of Boats 2020 Awards in Berlin in November.

The awards, founded in 2014, are designed to identify the best motoryachts of the year.

Spacious, light and airy, Absolute Yachts' new Navetta 64 combines luxurious features, Italian styling, practical innovation and value for money.

With wide, uninterrupted glass side windows, large bow windows, open side gunwales in the cockpit and a huge Beach Club transom, the Navetta 64 provides all-round panoramic views and unrivalled feelings of closeness-to-the-water.

In the main saloon the frameless glass side windows and 3m-plus curved and frameless windscreen create a light and airy space with stunning views. Comfortable sofas, a large dining table, an ultra-modern entertainment centre and a fully-equipped galley opens onto the cockpit.

One of the Navetta 64's most popular features is its Beach Club, a huge aft platform that gives access to the sea and to a VIP cabin, complete with en suite, via a watertight glazed access door at water level.

A pair of Volvo D13 diesels married to IPS1350 drives allows the Navetta 64 to cruise economically at 19 knots using just 12.5l/nm. Top speed is around 27 knots.

The Navetta 64 is available in New Zealand through Yachtfinders Global.
