ABSOLUTE YACHTS

Absolute is constantly investing in new products and over the past two years it has undertaken a major expansion of its build facilities. At Düsseldorf the company emphasised the success of its two latest models - the 58 Fly and the flagship Navetta 73 (pictured).

For the future the company introduced the new Navetta 48 which will be the smallest model in this range. Absolute has three other ranges comprising the Flybridge series, with nine models between the 40 Fly and the 72 Fly, the Sports Yacht series with three models and the single model Sports Line.
