New Model: Absolute 52 Navetta

POWERYACHTBLOG VIEWS

1746528

After the good reviews the 58 Navetta received, it was simple mathematics for the always moving forward Absolute to introduce a smaller 52 feet sister. The 52 Navetta at about two meters smaller from the 58 offers similar values to the first of the series and current largest model of the range; three double cabins interior with midships full beam owners room, living main deck with astern galley, and last a ship like move around ability. As all Absolute the 52 continues the believe of the North Italian boat builder in IPS pod drives, and engine power from the D6 435hp units

Technical Data:

LOA - 16 m (52ft)

Beam - 4.65 m

Fuel Capacity - 2000 l + 550 l optional

Water Capacity - 600 l

Accommodation - 6 berths in 3 cabins, 1 crew cabin berth

Engines - 2 x Volvo D6 435hp

Propulsion - Volvo forward looking IPS pod drives

Speed - 25 knots max, 20 knots cruise
