New Model: Absolute 58 Fly

Absolute start 2017 in full throttle presenting its first novelty of the year with the new 58 Fly, a latest addition to its Flybridge range. The Absolute 58 Fly will impress for its spaces in seventeen meters of length and a three cabins three heads layout. Living is all on the main deck with an astern galley and dinette opposite layout. The flybridge of the 58 Fly is also a spacious affair, with a central C-shaped dinette, L-shaped forward facing passenger settee, helm station to port side, wet bar, and a free stern space. The Absolute 58 Fly as all new models presented from the Italian builder in the last decade will be propelled by IPS pod drives with twin 600hp Volvo engines.
